- EASY, FAST ASSEMBLY

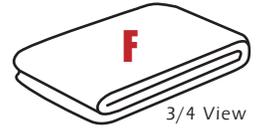

parts

included:

Please become familiar with the You Crate parts before beginning assembly. The method of assembly is the same for all crate sizes.

(weatherproof cover, Qty. 1)

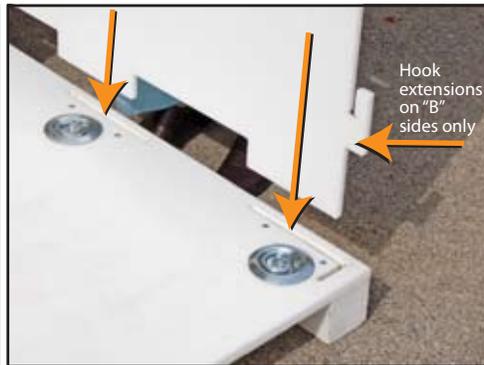

STEP - 1

Place the base (A) on a solid, flat surface.

STEP - 2

Insert the bottom of side (B) into the matching slots on base (A). Repeat this step on the opposite side of the box using the second side (B)

STEP - 3

Insert the bottom of side (C) into the matching slots on the base (A). Fit side (C) slots over the extensions on (B) sides

NOTE: Do not attach the second side (C) at this time.

STEP - 4

After loading the crate, insert the second side (C) into the matching slots of base (A). Fit side (C) slots over the extensions on (B) sides

STEP - 5

Once the crate has been loaded and secured*, place the lid (D) onto the top of the box. It will drop into place.

STEP - 6

Pull the weatherproof cover (F) over the fully assembled crate. Join Velcro strips at corners and snap metal hooks to complete assembly.

*You may secure your belongings by attaching tie down straps (optional) to the slots provided on the base (A).
